District Court Docket No: 1:21-cv-02291-SCJ

Tolling Motion

The district court docket indicates that the notice of appeal was filed before the disposition of a timely tolling motion. The notice of appeal becomes effective when the order disposing of the motion is entered. See FRAP 4(a)(4). **All appeal deadlines are suspended pending the district court's entry of an order disposing of the motion. Upon entry of the district court's order, the time to take required action will begin to run anew without further notice.**

All counsel must file documents electronically using the Electronic Case Files ("ECF") system, unless exempted for good cause. Although not required, non-incarcerated pro se parties are permitted to use the ECF system by registering for an account at www.pacer.gov. Information and training materials related to electronic filing are available on the Court's website.
